- This permit is for the construction of water, sewer, gas or other utility service lines, pole lines, curb, gutter, sidewalk or asphalt, in roads, highways, other public rights-of-way in the City of Bluffdale (hereinafter referred to as "City"). It is issued with the understanding that the holder shall be responsible for the proper restoration of all road and sidewalk surfaces and for ditches or other improvements to as near the original condition as is reasonably possible. Before highways or sidewalks are disturbed to perform the work covered by this permit, the holder shall make provisions for barricades, lights, and all other appurtenances necessary to safeguard the users of such roadway, sidewalk and other facilities.

- It is further understood and agreed that the holder of this permit at its own expense, agrees to protect, indemnify, pay on behalf of, defend and hold harmless City, its elected and appointed officials, employees and volunteers and their agents from all claims, demands, judgments, expenses, and all other damages of every kind and nature, made, rendered, or incurred by or on behalf of any person or persons whomsoever, including the parties hereto and their employees, which may arise out of any act or failure to act, work or other activity related in any way to this project under this permit by the holder hereof, the hold's agents, employees, subcontractors or suppliers in the performance and execution of this permit.

- Holder shall, in addition, restore all properties of City to the original condition in a manner satisfactory to City. Such restoration shall take place with 72 hours from the time of commencement of the excavation. All restoration work shall be guaranteed by such bond requirements as City shall, form time to time, establish by Ordinance. If the holder does not restore properties to the original condition within the time limit indicated herein, it is agreed the City may make the necessary restoration at permit holder's expense, which expense shall be deemed to include interest at 10 percent per annum, interest accruing from the date of City's expenditure until paid in full. City may collect said expense, plus accrued interest thereon, from any existing bond issued pursuant to this permit should holder fail to reimburse City, in full, within 30 days from the date of City's billing to holder.

- STREET SURFACING SHALL BE SAWED LEAVING WELL-DEFINED EDGES, RATHER THAN GOUGED WITH A BACKHOE OR OTHER SIMILAR EQUIPMENT. BEFORE HOLDER BEGINS TO DIG, HOLDER SHALL CONTACT ALL PUBLIC COMPANIES FOR INFORMATION PERTAINING TO THE LOCATION OF SUCH COMPLAINES' LINES. HOLDER SHALL NOTIFY CITY 24 HOURS IN ADVANCE OF COMMENCING ANY WORK.

- All excavation under this permit shall be in accordance with the applicable Ordinances and laws of City and the State of Utah.

- PERMIT VALID FOR 60 DAYS FROM ISSUANCE (in the event conditions arise that are beyond the control of permit holder, a written extension of 60-day validation may be granted by City.)
