

REQUEST FOR PROPOSALS
City of Bluffdale
Landscaping Design-Build Services
For Right-of-Way Areas

The City of Bluffdale is seeking proposals from qualified Landscaping Service Companies to provide design and construction services for areas within City properties and right of way, for park strips and parks restoration and irrigation.

Overview: Prepare, in consultation with the City, detailed landscaping plans including trees, bushes, plants, other planting materials, cobble rocks, irrigation systems and other materials implementing water wise and low maintenance practices to enhance the streetscape. Following approval of the concept, the Contractor will complete the installation.

This Landscaping Design-Build Services contract is an annual contract renewable for up to five years.

A copy of the Request for Proposal can be obtained from the U3P website (formerly SciQuest) at <http://bids.sciquest.com/apps/Router/PublicEvent?CustomerOrg=StateOfUtah>,
